We have purchased for cash from one of the largest potteries in this country, who were compelled to shut down on account of the tariff question, 763 odd Basins, that originally belonged to toilet sets that were worth from \$6.00 to \$20.00 a set, and are going to offer them to you at the ridiculous price of 39c. If we had pitchers to match them we could not sell them at less than \$3.00 a pair. They are all highly decorated.
